The Committee makes its best effort to collect donor full name, address, occupation and employer information by making sure the original solicitation contains a clear and conspicuous request for the required contributor information and making it clear that federal law requires the information be reported. If the information is not provided to the Committee, then we follow up by sending a letter to the donor within 30 days of the donation requesting the missing information. This letter is sent by itself with no solicitation. It clearly requests the missing information, informs the donor that federal law requires that we report this information and includes a return envelope. We then make sure to update the records and report any additional information to the Commission prior to our next reporting date, or as memo entries in the next regularly scheduled report. We mark these donors with - Info Requested Per Best Effort - in an attempt to let the Commission know that we have used our best efforts to try to get this information.
